In Exciting Struggle Clovers Defeated Seasides I to 0.

DEERB TWIRLING

The samues and the Clovers, two Auth End clubs, put up one of the fistest games of ball seen on any lot this season at the Flats yesterday efternoon before a crowd of 700 spec extors, the latter winning after an exciting struggle 1-0. Whalen of the losing team pitched a grand game, allowing but two hits, being particular ly effective when men were on the bases. Mullins, the Clover pitcher, featured with 16 strikeouts, passing two men, and allowing but one scratch hit, not a Seaside player getting to third. Only one fly was knocked to the Clover outfield. Whalen should be riven all the credit for the small score. The game will go down in the annals of ameteur baseball, as one of the finest if not the best exhibition ever played in this city between two amateur teams. The score: SEASIDES.

NOTES. Some going, eh? That boy Mullins, Sixteen strikeouts and one fly ball to the field.

Notice Bowden at short. He's the Clovers all-around man.

Credit must be given to Ben Lee for his work as manager. He hasn't miss-ed a Sunday game yet. His next game is Betts' photo gallery.

"Johno" Whalen pitched a grea game for his Seasides, but his team mates were weak at the bat.

The first regatta in England was in 1775, and it was imported into that country by Lady Mary Wortley Montagu, who had been impressed by the water show of Venice. There was no series of races.
